

CURRICULUM VITAE AND PUBLICATIONS LIST

CURRICULUM VITAE

Name: Halit Hami Öz

Date of Birth: 07 March 1955

Degree: Assoc. Professor

Title: Vice Dean, Faculty of Engineering and Architecture Head, Department of Software Engineering
Istanbul Aydın University

Degree	University	Year
Undergraduate	Istanbul University	1977
Graduate	University of Illinois at Urbana-Champaign, USA	1980
PhD	University of Minnesota at St.Paul-Minneapolis, USA	1984

Professional Experience:

Title	Place of Duty	Year
Assoc.Professor	Vice Dean, Faculty of Engineering and Architecture Head, Department of Software Engineering İstanbul Aydın University	1.09.2007–20.10.2008
Assoc.Professor	European University of Lefke Faculty of Architecture and Engineering Dept. Of Computer Engineering and Acting Head, Computer Information Systems Faculty of Economics and Administrative Sciences	27 Sept 2006–1.09.2007
Assoc.Professor	Akdeniz University Faculty of Medicine Department of Medical Education Medical Informatics Unit	02/2001 – 6/2006
Assoc.Professor	İstanbul University-Harran University Synchronous Distance Education Project	06-2000 -2/2001
Assoc.Professor	Marmara University Faculty of Medicine Head, Hospital Computer Center and Hospital Information System İstanbul	2/1986- 05-2000
Asistant.Professor	Marmara University Faculty of Medicine Head, Hospital Computer Center and Hospital Information System İstanbul	1/1985- 12-1086
Assistant Professor	Louisiana State University Baton Rouge, Louisiana, U.S.A.	1/1984-7/1985
Teaching Associate	University of Minnesota St.Paul, Minnesota, U.S.A.	7/1981-12/1983

Main Experience:

1. Synchronous Interactive Distance Education

2. Simple System of Broadcasting and Recording of Lectures and Presentations and Producing of computer-assisted learning materials.
3. Hospital Information Systems
4. Development of Object Oriented Programming using structured programming language
5. Development of Radiology Information System
6. Accreditation in Higher Education

PUBLICATIONS LIST

A. Articles published in international scientific journals:

1. H. Hami Öz Türk Hastane Otomasyon Programlarında Hastaya Ait Girilen Bilgilerden Üretilen Ortak Özel Hasta Gizli Kimlik Numarası..
Modern Hastane Yönetimi, V:5, issue:4-5, Sept-Dec 2001, pp:24-26.

(A special code creation for patients through their data entered into the hospital information system)

2. H. Hami Öz
Hastane Otomasyon Programlarında Birbirlerine Taşınabilir Bilgilerin Tutulduğu Ortak Data ve Tablo Yapıları Standartı.
Modern Hastane Yönetimi, V:5, issue:4-5, Sept-Dec 2001, pp:14-23.

(A common portable patient data structure standards to be transferred across different hospital information systems)

3. H. Hami Öz
Hastane Otomasyon Programlarında Birbirlerine Taşınabilir Bilgilerin Tutulduğu Ortak Data ve Tablo Yapıları Standartı.
Modern Hastane Yönetimi, V:6, issue:3, April-June, 2003, 8 pages

(A common portable patient data structure standards to be transferred across different hospital information systems)

4. H. Hami Öz
Hastane Otomasyon Programlarında Birbirlerine Taşınabilir Bilgilerin Tutulduğu Ortak Data ve Tablo Yapıları Standartı.
Modern Hastane Yönetimi, V:6, issue:3, April-June, 2004, pp:56-85.

(A common portable patient data structure standards to be transferred across different hospital information systems)

5. H. Hami Öz
Laboratuvar Sonuçlarına Ait Bilgilerin Değişik Hastane Otomasyon Programları Arasında Taşınabilir Olması İçin Raporlamada Kullanılan Standart Formlar ve Data Yapıları.
Klinik Laboratuvar. V 2, issue:1, Jan-March, 2003, pp:40-50.

(Standard data structures for laboratory information system to transfer patient data across different lab information systems)

6. H. Hami Oz, Haydar Sur, Feyyaz Pişkinsüt, Aysel Ertaş.
Türkiye'de Devlet Hastaneleri Yönetim Bilgi Sistemi Çalışmaları.
Modern Hastane Yönetimi V:2 issue:3 April 1998 pp 25-31.

(State Hospitals Management Information Systems in Turkey)

7. Haluk Ozsarı, Koray Oben, Kutlu Merih, H. Hami Oz, Şengül Pozantı, Çiğdem Ertem.
Hastanelerde Bilgisayar Otomasyonu: Forum
Modern Hastane Yönetimi V:2 issue:5 June-July 1998, pp:12-21.

(Forum: Hospital Information Systems)

Articles published in SCI indexed journals:

1. H.H.OZ . Synchronous Distance Interactive Classroom Conferencing. *Teaching and Learning in Medicine* 17(3), 269-273, 2005
2. H.H. OZ, The Needs for a European Accreditation Agency for Medical Education.
Medical Teacher (accepted for publication in Sept 2005)
3. H. H. Oz, Curriculum restructuring and importance of international standards in teaching and assessments in undergraduate medical education.
Education for Health accepted for publication Nov 4 2005,
4. H.H. OZ, Simple System of Broadcasting and Recording of Lectures and Presentations and Producing of computer-assisted learning materials.
Journal of Visual Communication in Medicine. September 2005, Vol. 28, No.3 pp.114-118.
5. H. H. Oz, Accreditation Process in Turkish Higher Education.
Higher Education in Europe. Volume 30, Nos:3-4:335-344 Oct-Dec, 2005

Articles published in journals indexed by INDEX MEDICUS and EMBASE- Excerpta Medica and other INDEXES:

6. H.H. OZ, Cost-effective community-based medical education in developing countries using existing resources. *European Journal of General Practice* V:11, pp.38-39, March 2005

EMBASE - Excerpta Medica, Indexed articles

7. H. H. Oz, A. Akdaş, T. Cantez, H. Sabuncu
General Guidelines For Computerized Medical Information System on Patient Care: Example of Some State and University Hospitals in Turkey.
Marmara Medical Journal Vol:10 No:3 p:158-166, July 1997.

Indexed and abstracted in INDEX ACADEMICUS

8. H. H. Oz, Ozenc Minareci, Sema Cantez
University of İstanbul Faculty of Medicine Radiology and Nuclear Medicine Information Systems.
Turkish Journal of Nuclear Medicine vol:5 No:3 186-191 , 1996

IPA Journal (INCH): International Child Health

9. H.H. Oz, T. Cantez, A. Nayır, H. Sabuncu
Clinical Coding: A practical approach for capturing structured data.
International Child Health: Oct 1997 vol 8 p 1-8 .

Accepted for publication and revision was requested and the revised paper was sent

10. H.H.Oz Transnational Quality Assurance of Undergraduate Medical Education in the European Union; EURO 2e2a, EUROpean net for Evaluation, Examination and Accreditation *Quality in Higher Education* submitted on 24th Jan 2006 asked for revision on 24th April 2006

Papers which are still in review in journals indexed by SSCI:

Learning and Instruction Abstracting & Indexing
Australian Educational Index, Current Contents/Social & Behavioral Sciences, PsycINFO
Psychological Abstracts, SSCI, Scopus

1. H.H.Oz Use of Motivation, Same-Age-Tutoring and Evaluation and Lengthy Examination to Learn and Teach Computer Skills to Vocational School Teachers to make them "Computer Teacher" submitted to *Learning and Instruction* on 14th.Dec.2005

2. H.H.Oz Virtual Walls: Intercultural contact and interaction among multicultural university students involved in a synchronous distance interactive classroom conferencing between Istanbul and Harran universities submitted to the *International Journal of Intercultural Relations* in 1st March 2006

3. H. H. Oz, G. Oral, Teaching of 'Learning to Learn' to first year medical students Submitted to *Studies in Higher Education* in April 20st 2006

B. Papers submitted in international meetings/congresses:

1. H.H.Oz. The Needs for a European Accreditation Agency for Medical Education. (invited speaker) World Conference on Global Standards in Medical Education for Better Health Care, Copenhagen 15-19 March 2003, WFME pp:51-52.
2. W.Breipohl, E.Goepel, C. Nyagotti-Chacha, B.Badri, G.Majoor, V. Klauss, U.Schaller, A.Pfeiffer, K.Steidel, A.O. Ihunwo, A. Twinamasiko, V.Costigliola, C.Jungbluth, H.Oz, L.Cerny GAMA (German-African Medical Academy) Conference on Higher Education in Developing Countries: With a Focus on Muslim Countries. 24-25 February 2005 Aga KJhan University, London, the UK.
3. H. Bağcı and H.H.Oz Intercultural communication problems of faculty members and international students. ERIC Subnet-Medicine and Health (SN-MH), Bonn-Alfter Meeting 25 and 26.6.2005 Germany
4. H.H.Oz. Cost effective community-based medical education in developing countries using existing state teaching and research hospitals and other clinical resources in the community. Proceedings of the First International Congress on Higher Education : Perspectives on Higher Education in the 21st Century, May 27-29, 2004, İstanbul, Turkey.
5. H.H.Oz, (invited speaker) "Euromed 2005" Health Financing and Economical Development. Euroe-Mediterranean Virtual Hospital High Piloting Committee Meeting, Algiers, Algeria, April 8-10, 2005
6. H.H.Oz Community-Based Medical School, without its own teaching hospital. Congress on Higher Education : Perspectives on Higher Education in the 21st Century, May 27-29, 2004, İstanbul, Turkey.

7. G.Oral and H.H.Oz E-Learning and its implementations and problems in Akdeniz University, E-Learning in Higher Education Conference, Viljandi Estonia 3-13 July, 2005
8. H.H.OZ Virtual Walls : Intracultural communication problems among the university students of different ethnic backgrounds from different regions of Turkey ERIC Subnet-Medicine and Health (SN-MH),31 Dec 2005
9. H.H.Oz E-Learning and its implementations and problems in Turkey. 4th FAE International Symposium, 30 Nov-1 Dec, 2006, Lefke European University, Gemikonagi, North Cyprus, TRNC, Proceedings pp:395-398
10. H.H.Oz Lenghty Assessment and Peer-to-Peer Learning and Evaluation Based Teaching of Basic Computer Skills Course. International Conference of "Integration of Information Technology in Science Education" Jan 16-18, 2007, Eastern Mediterranean University, Gazimagusa, Turkish Republic of Northern Cyprus.
11. H.H.OZ LCAMEEU*-EUMQE**-ECEUMG*** NARIC**** = EUROPASS***** for the medical graduates in the EU Part IConference on Higher Education in Developing Countries: With a Focus on Muslim Countries. 24-25 February 2005 Aga KJhan University, London, the UK.
12. H.H.OZ LCAMEEU*-EUMQE**-ECEUMG*** NARIC**** = EUROPASS***** for the medical graduates in the EU Part IIConference on Higher Education in Developing Countries: With a Focus on Muslim Countries. 24-25 February 2005 Aga KJhan University, London, the UK.

D.Articles published in English in national scientific journals

1. H. H. Öz.

Components of software development: How to write quick-reporting-table-generating applications.
İletişim Fakültesi Dergisi pp: 477-503, 2002
